Wellness Skin is the innovative professional device for **face and body** treatments, designed for non-invasive transdermal insertion of active ingredients contained in specific cosmetics designed for this new technology.

Thanks to the use of generated **magnetic fields**, the molecules are carried in depth, **intensifying the action of the cosmetic product**.

INTRADERM ACTION
FACE&BODY

ACTION

- Waste elimination from cellular metabolism and cellular respiration.
- Deep transdermal insertion of active ingredients.
- Tissue rehydration.
- Increased skin elasticity.
- Reduction of free radicals.
- Simulation of a deep draining massage that eliminates excess fluids.
- Transport of nutrients and metabolites in the tissue.

Wellness Skin for treating imperfections
at the root:

EASY - LONG-LASTING - EFFICIENT - PAINLESS

• CUSTOMER COMFORT

High tolerance by most people thanks to the non-application of energy to the skin and the pleasant warmth developed during application.

• BEAUTICIAN COMFORT

Ergonomic fatigue-free Handpiece Applicators, even after several hours of work. Touch screen display with simple and intuitive program adjustment.

The products used with Wellness Skin have been specially designed to work with the magnetic field of the device and to be moved in depth.
